WBU Master Point Uploads – Scorebridge & Pairs Scorer

Clubs commencing uploads and who are using the appropriate scoring programs please apply to Neville Richards on 01597 850050 email wbu@deepvault.biz, or Noelle Bond on 01446 733425 email wbupoints@noellebond.plus.com with any questions, and before commencing uploads. User permissions will be set to Scorer for nominated persons at each Club.

Payments for points allocated to be made monthly (or longer period by agreement with the MP Secretary) by sending a cheque and Account summary to the MP Secretary, or payments to be made monthly to the WBU account and an email, with a scanned copy of the Account summary, confirming date of payment, sent to the Treasurer and the MP Secretary. Any MP booklets (or part of) may be returned to the MP Secretary as part payment.

Costs and rules are exactly as before at 20 pence per certificate. Allocations are based on the numbers of pairs/tables in play and therefore includes non members of the WBU. Non members earning points should be designated using the numbers 999980 - 999999 (Z980 - Z999) and this record allows them to claim points earned should they subsequently join the WBU.

Prepare Scorebridge: (First time use only)

- Ensure that you are using the latest version of Scorebridge (9.11.44 or later).
- Set the Club Number (Menu: Club Preferences / Club Details)
- Set the Country to Wales (Menu: Club Preferences / Country Settings)
- Select the WBU numbers for all players in the Player Database using the “Get WBU Number” option in the Player Database.

After Each Event: (Allowing due time for the correction period applicable in your club)

- Retrieve the event file that you wish to upload.
- Make the P2P file (Results and Outputs window - Menu: Make File / P2P File)
Once the file has been made you should get a message on the screen, the first line of which is: "P2P file(s) are saved in a folder called 'WBU P2P Files' on the Desktop".
- Answer "Yes" to the question "Open the WBU Upload Page Now?"
- If the page is not available, please try again after 30 seconds. If you still cannot get it contact the WBU.
- Locate the P2P file to be uploaded by
 - clicking the Browse button (this shows as Choose or Choose File in some browsers)
 - selecting the file from the "P2P Files" folder on your desktop with a double click.
- Having located the P2P file, click the Upload button. You should get a message indicating that your upload was successful and stating how many records have been updated. (This is a measure of the number of certificates that you have effectively issued for charging purposes.)
- To get Scorebridge to remember and record cost of masterpoints use the following.

Select print masterpoints

Click on un issued

Issue points but do not print

Click and finish and update

This could be done weekly

At the end of the month print off summary and send cheque to or make payment as usual.
